The main
force of the
1st Carrier
Division will
now return
to the rendez-
vous...

The remnants
of Isoroku
Yamamoto's 2nd
Fleet and the
Nagumo Mobile
Divisions have
been ordered to
cease all combat
operations in
the Midway
Islands, and to
rendezvous with
Yamato and the
1st Fleet before
retreating.

This battle came to be known as the Battle of Midway.

帝國・敵軍へ宣戦布告

The point at which the Divine Wind, under which the Imperial Japanese Navy had so arrogantly sailed, suddenly ceased to blow.

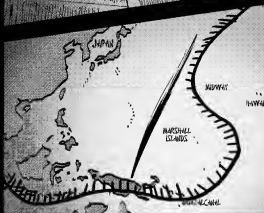

敵軍根據地を大爆撃

太平洋の敵本拠地を襲撃
此敵に勝つ太平洋

敵空母一軍

アリューシャン列島
ミッドウェー沖に大勝

And from then on, the Imperial Japanese Navy withered under defeat after defeat. The retreat from Guadalcanal, the annihilation at Atsu; even the seemingly impregnable Solomon Islands were isolated.

What'd
You say.

CHECK-
MATE,
KUMA

You say that, but we haven't seen worthy foes in a while. All we do is clean up the trash, kums.

Like
you have
any right
to say
that!

We never
know what
something
might
happen!

THE PRIDE OF THE 1ST
CARRIER DIVISION

We
can't
become
complacent.

Half the problem is that you baby Akagi so much!

What was that?

You're making me angry

Isn't it a good thing that the world is at peace?
As long as Akagi-san is happily fed, I'll be happy.

~~SECRET~~

Half the fleet is in critical condition, and the others are moderately damaged.

**AKAGI!
KAGA!**

**LET'S
DO
THIS!**

Join up
with Hiryou
and Souryuu in
the 1st Fleet,
set sail for
Midway, and
then head
straight to
Hawaii!

Under-
stood. Yes
sir!

**YES SIR!
1ST CARRIER
DIVISION,
HEADING
OUT!**

STARE...

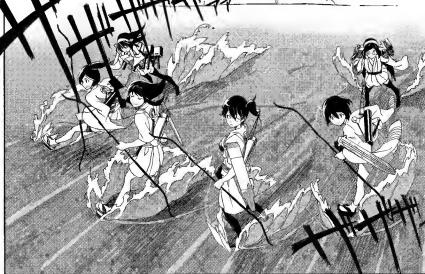

They'll
be fine,
right?

They'll
be fine...
Probably.

どたばた!

We haven't
sorted in a
while, Kaga-
chan!

My longbow
has been
thirsting for
a target.

I'm worried
since we can't
get in contact
with the island
garrison.

Nothing
unusual
thus
far...

Kaga-
san!

Let's
not get
ahead of
ourselves!
Keep your
guard up
regard-
less!

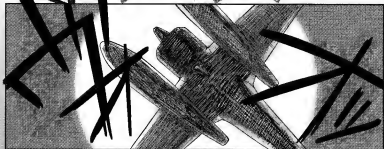

Come on,
one of our
expedition
fleets is sta-
tioned there.
There's no
cause for
concern.

Not a bad idea. I'll put a few in the air.

We're about to reach the Midway area. Could you send a scout ahead?

**NAGUMO
MOBILE
DIVISION,
PREPARE
FOR
COMBAT!**

They
took the
bait and
ran off
with it,
huh?

**UNDER-
STOOD!**

**FIRST
WAVE,
LAUN-
CHING!**

We'll
show our
mobile
carrier
division's
power!

BRRRR

Target
the enemy

Deploy all
fighters
to intercept
the enemy!

Not even worth a second glance.

That was pretty easy.

So they were just small fry in the end.

But how did such a skilled scout get caught by such weak enemies?

Look, everyone! We've come in sight of Midway!

Doesn't stand a chance against the Nagumo fleet.

An enemy of this level

You know Hiryuu, she just likes to worry.

Eh!?

I guess it
won't do
just to
watch.

It's
burn-
ing ...

Seems like
I've gotten
through
to the
stationed
garrison!

Like
that'll be
neces-
sary ...

It
doesn't
seem ...

No time
to waste.
We should
hurry over
there.

I think
we might
be in
deep shit
here!

Stop
thinking,
we ARE in
deep deep
shit!!

We
should
rendez-
vous with
the rein-
force-
ments
soon!

KYA

For the
garrison
to be
completely
routed...

Num-
ber of

Source
of the
enemy
planes is
unknown.

**ONE

FIFTY!**

Quit
talking
and help
me out
already-
yyy!

It's no
wonder
that the
garrison
fell.

Bombers,
lift off!
Target
the
enemy
fleet!

I suppose
you're
right...
We'll deal
with
them.

Another takes its place!

**THEY'RE
COMING IN

More
planes in
the dis-
tance!

But—

Enemy
fire is too
intense to
intercept!

THAT'S
!?

GOT

KIRI-

WHAT
!?

The
can-
nons
of the
Kongou
class
are no
joke...

RIGHT
ON
TAR-
GET!

They knew
where
we were
from the
start...

A
scout-
ing type
....

We should
retreat
for now!

You
think
you'd still
be here
if we
could!?"

This
scene
...

We
are
sur-
round-
ed
...

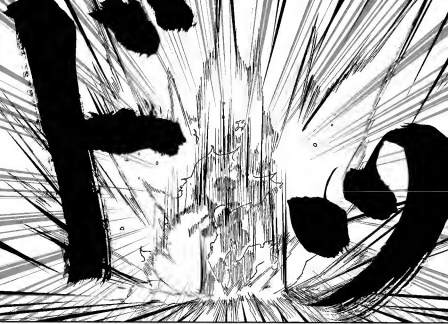

It's like
you've all
laid down
ready
to die.

Oh man,
I can't
watch
any-
more.
